Was leaving my fathers house (Jeffery Walberg)
when we seen 3 dogs in the road fighting. I
pointed out to my husband (Charles Roper) that
the dog lying on the ground was my fathers
we stepped out of the vehicle to try and break
them apart. My husband fired a warning shot
at the ground and one dog left. The other
dog didn't move so I went to them to try
and break them up. The dog came towards
me and my husband fired another shot
at dog.
